

CURRICULUM HELP COMING YOUR WAY

Common Core State Standards, Next Generation Science Standards, new math standards. What’s a teacher librarian to do?

Attend a **free 3-part webinar series** on these standards, and how TLs can implement them. ~ The third Thursday at 4pm in April, May and June, via <http://bit.ly/CSLAmeeeting>.

April 21: CDE Education Programs Consultant **Cynthia Gunderson** and CDE School Library Technology Consultant **Renee Ousley-Swank** will discuss new **ELA content framework** and TLs’ connections with that content and CCSS. ~ May and June will discuss math and science. ~ Invite 1-2 subject teachers to join you in these free webinars.

Webinars provided by CSLA Curriculum and Standards Integration Committee.
